Exhibitors that make the Sale will receive a Sale Order number at the end of each day's show. In order to prepare for possible duplications, Sale Order alternates will also be handed out in each species. Please be mindful of the number of animals making the sale in your species to determine your chances of making the Final Sale Order.

The Final Sale Order will be set by 10pm on Sunday, March 8th. The Final Sale Order will be posted on Facebook, uploaded to our website, and emailed to all Ag Instructors and 4-H Agents as soon as it is finalized.
